

Finding Milo

Team Milo

Peter Lu, Sujay Adkar, and Samson Dogbe

Welcome to Finding Milo!

- Your home was destroyed, your family and friends are either dead or dying, and you have failed your king.
- Once praised as the greatest warrior in the Golden Banana Clan, but now a disgraced captain from the King's Royal Banana Guard.
- To redeem your honor you are sent alone into enemy territory to rescue King Milo!
- You have tracked him to the Temple of Forbidden Monkeys after weeks of travel and following endless leads.
- Do you have what it takes to save your King?
- Tone: Stupidly easy. A monkey could figure it out.

Plot Summary

- The year is 590 on the planet Monkia
- Golden Banana Clan
 - Consist of humans and monkey-like people
 - Live in harmonic, intellectual/technological and economic prosperity
 - Led by Monkey King Milo
- Gorillas of San Gora
 - Warmongering apes that lived a barbaric hunter/gatherer society, with many tribes fighting each other
 - Years of fighting had led the tribes away from advancing their ways of life.
- Drogas the One-Eyed
 - Spends a year unifying the tribes of San Gora.
 - Under his leadership, his massive war-hungry army of gorillas, laid siege to the capital of the Golden Banana, Glistening Platanos and captured the monkey king, Milo.

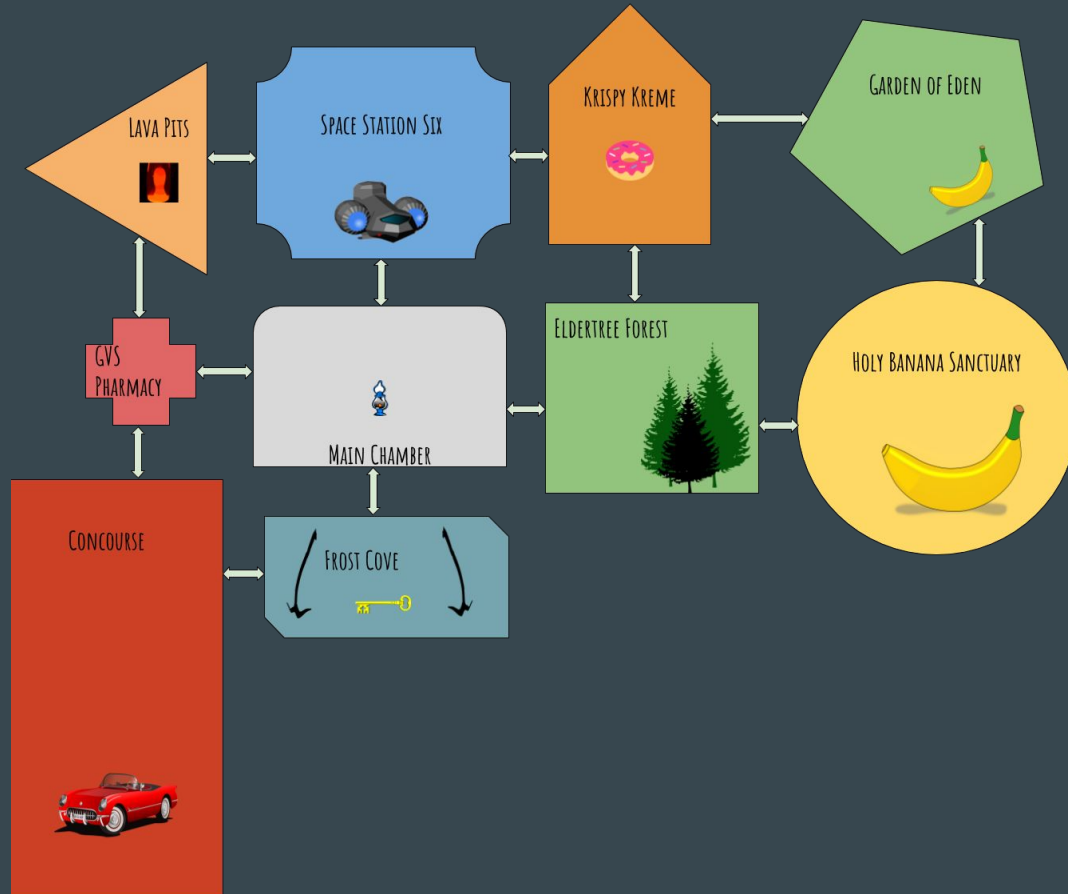

Fuze Smith

- Born in the town of Monkchester, to a corporate executive father and a dancer mother, Fuze Smith lived a very comfortable life.
- He decided to join the Golden Banana Military after he heard the bad news that his best friend from childhood had died while serving.
- Rose through the ranks very quickly and eventually was promoted to the King's Banana Guard.
- At the battle of Glistening Platanos, Fuze fought bravely through the hordes of Gorillas, but got separated from the guard and the king.
- Feeling the failure to his men, the king, and the kingdom, Fuze righteously took on the challenge of rescuing Milo.

How to Win?

- You must go through the Temple of the Forbidden Monkeys, collect all the items to save the Monkey King Milo, and escape the temple to an extraction point where a special forces team called Banana Party Five will be waiting for you and the King.
